You will live in our hearts always. May your soul be at peace.

Yellow	Donivan Quinton Martin	From your mom, wife, children and sons-in-law.	10 months ago , you left without any warning or getting to say goodbye. Your death changed so many things and yet time didn't heal the hurt we still feel with your passing. We know God's plan is always bigger then ours and he needed you more. We wish we could hear your voice one more time and we could chat like we use too and just being around you but its not possible as we are left with an empty space just filled with all the memories we made over the years we had together and for that we are grateful for, knowing you and the person you were will stay with us forever. We miss your sound advise as much as being around you.They say time heal all wounds but ours is still the same, the pain,hurt and heartache we felt. We miss you tremendously. All Our first celebrations is and was tuff and now Christmas is approaching will be more painful. Our King Legend we Love and miss u always in our hearts and mind ♥🙏🏻
